- Residents and/ or responsible parties shall be informed by the Executive Director or Designee of visitation rights and related guidelines upon admission to the community.
- The Executive Director/Designee or Concierge shall oversee team members adhere to the visitation policy.
- At a resident's request, space and privacy for interactions with visitors shall be afforded by the community.
- Visitation shall not be denied, restricted, or limited by the community to any individual on basis of race, color, national origin, religion, sex, gender identity, sexual orientation, or disability.
- Residents have the right to deny visitation at any time. If a resident chooses to withdraw consent for visitation by a particular individual, such denial shall be documented in writing and retained in the resident's business record and/ or the resident's electronic medical record.
- Residents have the right to participate in consensual physical contact with a visitor of the community. If a resident is not cognitively sound, and desires consensual sexual contact with a visitor, the resident's legal representative shall be contacted by the community's Health and Wellness Director, or their designee, or the community's Memory Care Director, or their designee.
- The community shall not restrict visitors based on the request of family members or the healthcare power of attorney. If a family member (or HPOA) requests that a certain individual be denied access to any resident based on safety or security concerns, the staff will protect resident safety while allowing visitor access until the allegations are investigated.
- Unless otherwise permitted by the resident, visitors shall wait outside of the resident's apartment while the resident is receiving treatment, undergoing examinations, and/or receiving personal care.
- Incidents of disruptive behavior by any visitor(s) shall be documented within the resident's business record.
- Inquiries concerning visitation and access to the community should be referred to the community's Executive Director, or their designee.
- Visitors shall not occupy the resident's apartment without the knowledge of the resident and/or community's Executive Director, or their designee. When a resident is not at the community, approval for
